

Access Control: AS410 / AS810 Kit IN STOCK

The Smart Choice for Easy Installation

Please contact your GeoVision sales rep for ordering information

GeoVision’s most popular access control boards, [AS410](#) and [AS810](#), are now available as part of a complete kit. This convenient kit contains everything you need for the controller installation and only a single power source is required to power up. The included power adaptor board provides power source for entryway alarm/lock to eliminate the need for any other power source. The kit also comes with backup battery case (battery not included) to allow continuous functioning during a case of emergency.

Packing List:

- [AS410](#) or [AS810](#)
- Iron case (54-AS4CA-100)
- Power adaptor board for door lock
- Casing for backup batter
- Power supply (US or EU standard)
- Power Cord
- Battery Cable
- Micro SD Card 2 GB
